

**From the Desk of Mrs. Schlotthauer:** The school year has flown by fast!

The children have worked hard to learn how to be helpful, confident, and kind students who can try new things. We have worked hard to learn about letters, letter sounds, numbers, and God's great world we share. We have worked on being good friends and good learners. We have learned how to pray together and how to let God know we love Him.

God has created such special and unique children! We try to catch every opportunity to celebrate important days together. Since this is our last month of school, I want to make sure we reschedule any important celebrations that might have been missed. If you feel I have missed a birthday, half birthday, or star student opportunity, please let me know. I would like to schedule it into May, as soon as possible. Thank you for your help.

The children have grown so much. I feel blessed to be a part of your child's life!

**Thank you for a wonderful School Year!**
