

This Fall, we have enjoyed singing, dancing, and making music with Pete the Cat and Groovy Joe!

We have had fun creating some different kinds of puppets. We are learning to talk with our puppets and beginning to tell stories with them. We are using shakers and other musical instruments to dance to songs together.

Fall is making our recess time cooler. Every day, your child should have a jacket, mittens, and hat; to be ready to play outside. We will need snow pants and boots as well. Kids can find their winter wear items more easily if they are in a separate bag.

Please help us practice putting on our own coat, zipping ourselves up, and putting our own mittens/ gloves on. Thank you for helping us stay warm, safe, and comfortable.
