We understand that the process of signing kids in and out the Procure Connect app everyday has been a confusing transition for some, and we are happy to

help those who are still learning. That being said, in order for this method of attendance to be effective, it is important that our system has a head-count of whose being dropped off each day. If there are any questions we can answer to help this process go smoothly, please reach out.

If your child is being dropped off by someone who does not have the app, please have that communicated and we will make sure that they get signed in.

From our Director.....

We have had an exciting start to the year! The children have been enthusiastic about making friends, learning and discovering new experiences. The teachers have been working hard to make it a safe environment for the children and are enjoying getting to know each child.

Thank you parents, for helping us make the beginning of school fun and safe for everyone!

Enjoy the beautiful fall season!
Teresa Fox, Director

School Pictures Nov. 4th-5th

Several packages and specialty items are available. Packets will be distributed in a couple of weeks. Order envelopes with payment should be brought back to school on picture day and given to your child's teacher.

Please check your child's classroom *Newsflash* for the class' specific day and time.

**PARKING
LOT**

SAFETY

Please be patient while dropping off and picking up students.

We ask that you wait to be the first (at door 3B) or one of the first in line before opening your doors for your children.

Please pull into a parking space to buckle in your child. Lines can become very backed up when children are being buckled during pick-up.

Mark your calendars

Oct 15 & 16	MEA - no school
Nov 3	Parent/Teacher conferences - no school
Nov 4 & 5	Picture days
Nov 25 -27	Thanksgiving Break - no school

Early Childhood Screening is a quick and simple check of each child's growth and development.

The purpose of this screening is to identify learning or health needs your child may have in the areas of hearing, vision, growth and general development prior to starting school. Early intervention can enhance growth and development. This is not a screening to determine kindergarten readiness.

This appointment should be scheduled as soon as possible after your child's third birthday.

Rochester Public Schools offers this screening at Northrup Community Education Center to children at least 3 years of age.

To schedule an appointment or for information, call 507.328.4004

2020 MOPS Fall Edition

1st & 3rd Tuesdays (September 15 - May 4)

Morning Times TBD

Evening meets 6:30-8PM in homes

MOPS (Mothers of Preschoolers) is for moms of kids from birth to kindergarten. This Fall we will gather in small groups in homes and utilize the book 'Real Moms, Real Jesus' to navigate through motherhood together. We hope you will join us for this time of fellowship and friendship of women all in the same stage of life!

Label Outdoor Clothing

As the weather continues to get colder, we will still play outside.

It is extremely helpful to have all outdoor clothing (including light jackets) labeled with the child's name. Black snow pants and black boots all look very similar.

We also encourage a separate bag for snow gear.

There are some snow gear bags available in the KK office. Please let us know if you need one for your child.

All 2 year old classes will have recess in the gym when snow pants are required or if the wind-chill is below 30 degrees.

Did You Know???

If the wind-chill is below 15 degrees we will stay inside.

KinderPrep & Mrs. Batterson's MWF class will go outside for their lunch recess at 0 degrees wind-chill.

We check the temperature before each recess.

Make sure to send outside clothes every day.
